Take a look at QMG

1.3.2023

QMG in a nutshell

QMG – Quattro Mikenti Group – is a technical installations and services group that provides contracting and services for residential, commercial, industrial and public buildings in both new and renovation construction.

The group consists of approximately 40 local contracting and services companies throughout Finland, and it employs 1,300 professionals. QMG's turnover in 2022 was approximately EUR 240 million.

QMG as well as Sandbäckens in Sweden and Konstel in Norway together form the Nordic Nimlas Group. Its main owner private equity company KLAR Partners. What is more, Nimlas Group has a total of 500 shareowners among its personnel. Nimlas Group employs 3,500 people in the Nordic countries and its annual turnover is approximately EUR 600 million.
